

Our school is a proud recipient of Global Sustainable Award 2021 under the category of Socially Responsible School- Pewter in a beautiful award ceremony at rotary public school Gurgaon on 10th of December 2021. More than 150 schools from 9 countries participated in the mega event of Global Sustainable Award 2021.

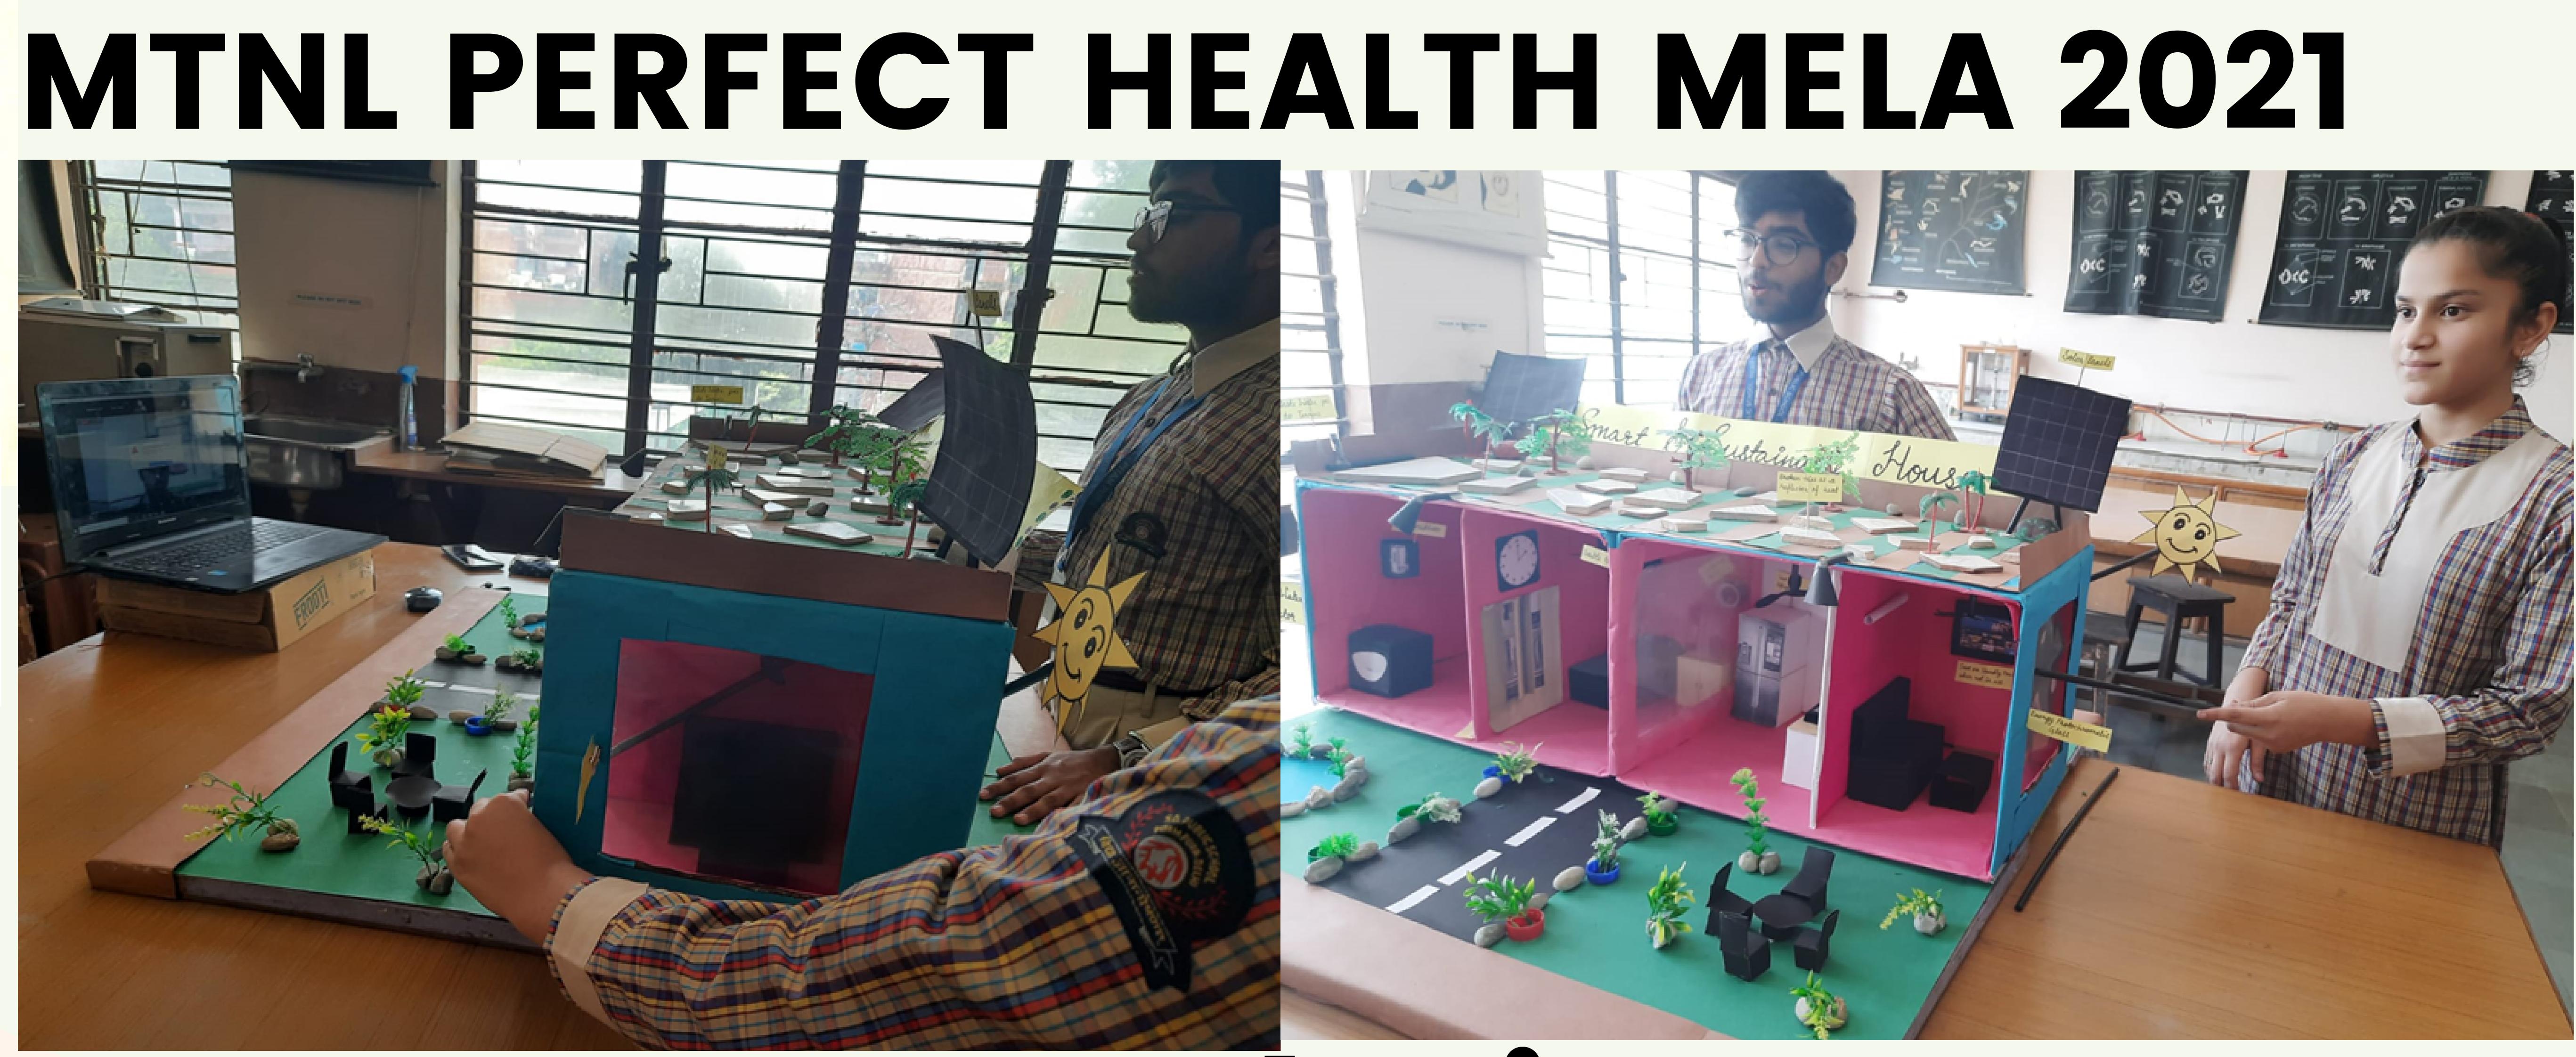

"Victories are not born on the fields. One creates them during practice day in and day out." Two students of our school Himanshu Jha and Kartik Rautan of class X made their place in the final list of SOMT 2020.

Condratu atons

Our school participated in 28th Digital MTNL Perfect Health Mela 2021 organised by Delhi Heart Care Foundation of India in various categories on the theme 'One health during the Pandemic times'. With an aim to communicate better preventive health practices to young students, this platform provides opportunities to students to show their creative skills. On 13th October 2021, Ruchira and Jatin of class 9 C participated in Science Model making Competition (Senior category) on the topic 'Energy conservation at home' and bagged 3rd position among 14 schools across Delhi-NCR.

Congratulations

(DST), Government of India. The objective of the scheme is to target one million original ideas/innovations rooted in science and societal applications to foster a culture of creativity and innovative thinking among school children.
