Summer Vacation, 2022-23

**SUBJECT:
SOCIAL
SCIENCE**

**TASK 1:
Project
work-**

Research and write- Prepare a flip book on the topic “Sustainable development” of around 10 sheets

Details: -

- For the first five sheets of the flip book, prepare ‘to do list for the planet Earth’ i.e what can be done and needs to be done to make earth a better place to live in (general points)
- Prepare a list to save our resources i.e. land, soil, water, natural vegetation, and wildlife.
- For the second half of the flip book i.e. next five sheets, list all the steps that the student and parent has done or taken initiative (in summer break / general) to make the earth a better place to live in . For example-
 - a) Efforts to switch off the lights whenever not in use.
 - b) Use of bicycles by student to commute to nearby places rather than using cars or any other vehicle which produces smoke and hence air pollution.

Also paste pictures, if possible, for specific efforts taken to make earth a better place to live in.

- Students can use five A3 size sheets, divide them in half in order to prepare a flip book (use colourful sheets). The cover page of the flip book has to be really attractive.
- Mark all the states and capitals in India political map and paste it in your school subject register.
