

CLASS-7 SCIENCE

★ Summer Social Service Challenge

Dear Students,

As we embrace the summer break, it's an opportune time to step beyond our usual routines and make a meaningful impact in our communities. Engaging in social work not only helps those in need but also enriches your personal growth and broadens your perspectives.

Why Should You Participate?

- **Develop New Skills:** Engaging in volunteer work can teach you valuable skills such as leadership, communication, and problem-solving.
- **Enhance Your Well-being:** Helping others has been shown to reduce stress and increase feelings of happiness and fulfillment.
- **Build a Stronger Community:** Your efforts can contribute to creating a more compassionate and supportive environment for everyone.

How Can You Get Involved?

Consider participating in activities such as:

- **Community Clean-Up Drives:** Help maintain and beautify local parks and public spaces.
- **Assisting at Local NGOs:** Support organizations that work towards various social causes.
- **Tutoring or Mentoring:** Offer your time to help younger students with their studies or personal development.
- **Organizing Awareness Campaigns:** Raise awareness about important social issues in your community.
- **Planting trees, caring for street animals, feeding birds, recycling waste, awaring others about SDG etc...)**

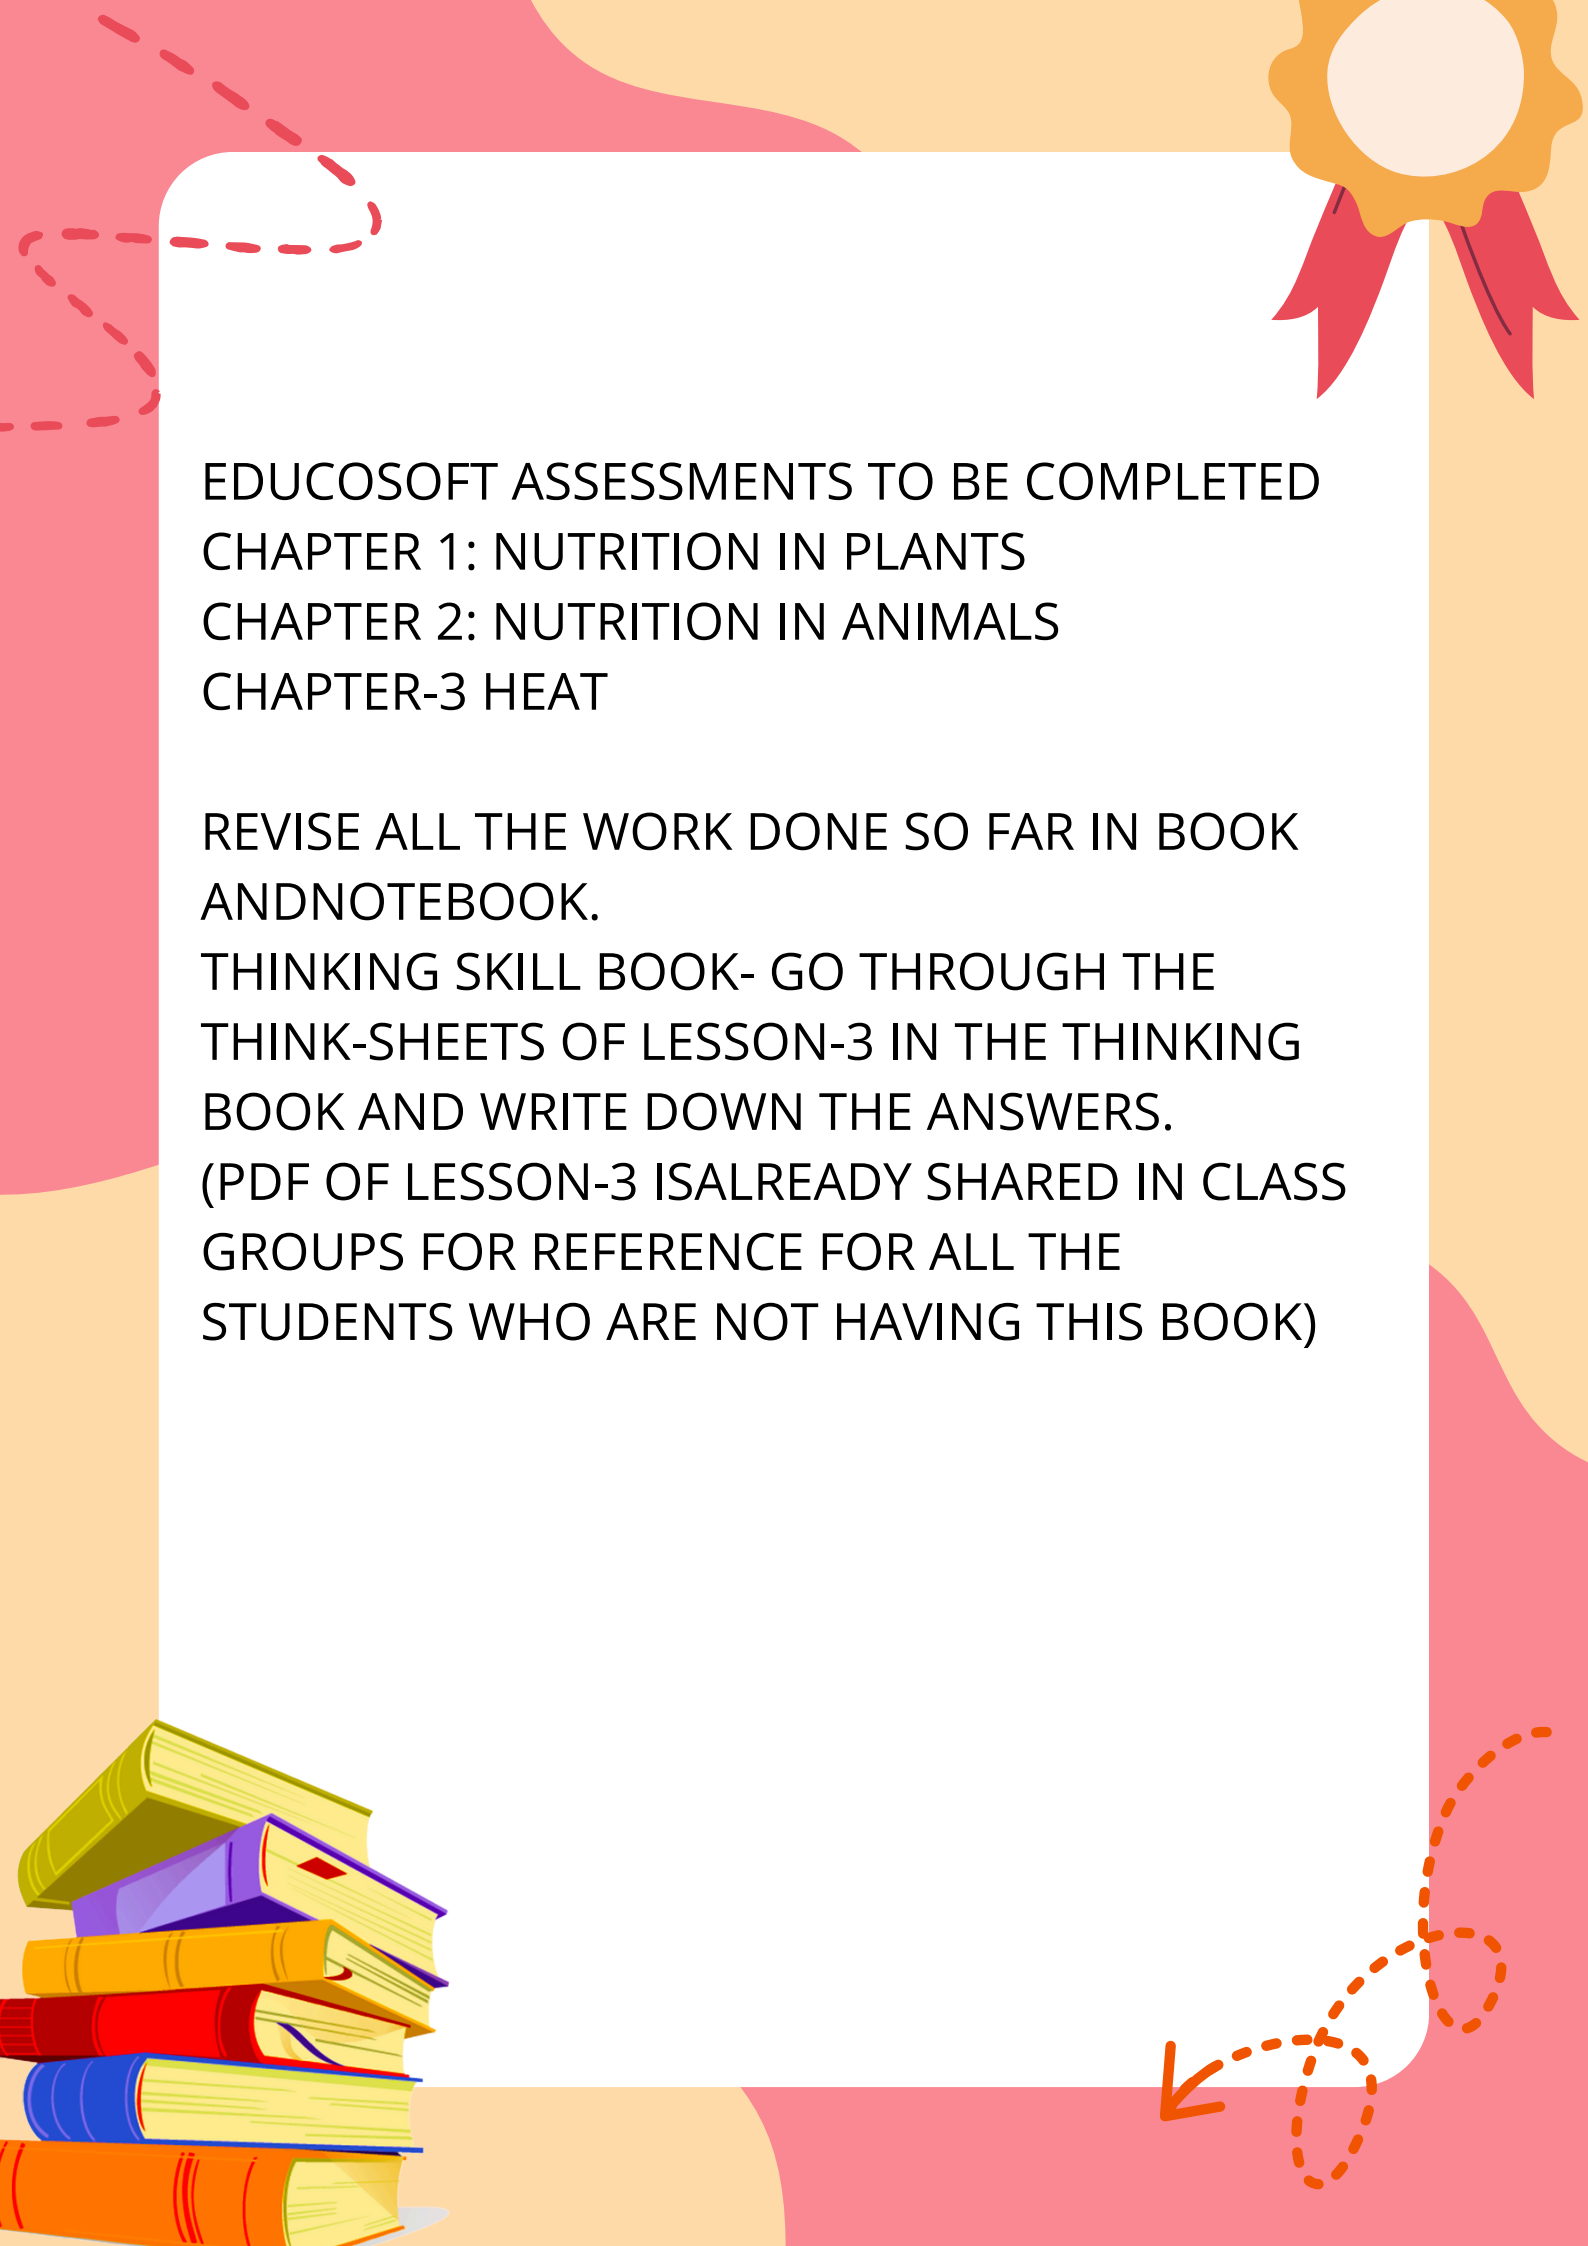

Document Your Journey:

We encourage you to document your experiences through blogs, photos, or videos. Share your stories on social media platforms or school websites to inspire others and showcase the positive impact of community service.

Remember: Even small acts of kindness can lead to significant changes. Your involvement can inspire others to contribute and create a ripple effect of goodwill.

Let's make this summer not just a break from studies but a season of giving back and making a difference!

EDUCOSOFT ASSESSMENTS TO BE COMPLETED
CHAPTER 1: NUTRITION IN PLANTS
CHAPTER 2: NUTRITION IN ANIMALS
CHAPTER-3 HEAT

REVISE ALL THE WORK DONE SO FAR IN BOOK
AND NOTEBOOK.

THINKING SKILL BOOK- GO THROUGH THE
THINK-SHEETS OF LESSON-3 IN THE THINKING
BOOK AND WRITE DOWN THE ANSWERS.
(PDF OF LESSON-3 IS ALREADY SHARED IN CLASS
GROUPS FOR REFERENCE FOR ALL THE
STUDENTS WHO ARE NOT HAVING THIS BOOK)
