

Summer Break Homework Class XII

Make Case Profile Project using appropriate methods.

- Select a disorder of your choice and availability of subject, do in-depth case study on the same .
- Use psychological testing to find out the problem faced by individual.
- Give interventions for the same.

INSTRUCTIONS :

- Coloured, one side ruled one side plain A4 size sheets to be used
- Only tables to be made on plain side of sheets and pictures to be pasted related to disorder.
- Only black and blue pen to be used. Avoid using red and green pen/marker.
- Sheets should be attached in ring file folder with complete decorations and must be properly labelled.
